**Mr. Walter Webb
709 Westwood Drive
Lebanon, TN 37087**

Dear Walter:

This will confirm that I originally invested \$50,000 with the Tilley Foundation. However, upon further investigation I found Carl Tilley's promises did not appear to be fully validated. While he may be on to something in the alternative energy field I became skeptical and decided to sell my interest to several other current stock holders who do not share my opinion, namely Vic Olson , Charley Sherlock and a few others.

I have not seen or been able to examine complete validation tests, even after two visits to Lebanon, Tennessee thus I am indeed suspicious about the efficacy of the purported results propagated on the Tilley Foundation web site.

Sincerely yours,
