

**INVESTMENT AGREEMENT**

For an investment of \$50,000, Investor/s, Burt and Mary C. Wilson shall receive 10 % interest of all intellectual rights and inventions of Robert Kibbey and Carl Tilley from this invention, TeK Mark II device as seen on Channel 5 CBS June/12/2001. A company (corporation) will be formed for this purpose. This investment will then automatically transfer to the corporate structure, (but not as funds) and any future corporations formed for the purpose of advancement of any and all ideas stemming from the original invention.

After the company is incorporated, a formal agreement shall be drafted and stock shall be issued to replace this agreement. <sup>(SOW MBW ASAP)</sup> It is understood that this is a speculative Venture and that the Investor may receive no return later.

This document is to be replaced with name to be determined by corporate meeting. Non refundable partial payment of \$10,000

Received prior to formal agreement to be prepared by TK attorney.
